

Family fishing with fellow Local 813 members aboard the Snow Goose.

JUNE 23, 2012 - 2:30PM UNTIL 7:00PM

This is an excellent opportunity to spend the afternoon on the water with brother Teamsters. The boat leaves from Port Chester, N.Y. on the scenic Long Island Sound. The waters on the sound are very mild. The boat is family oriented and Coast Guard compliant. The crew is professional and experienced. The price includes; passage, bait, tackle, food, soft drinks, and a great time. Beer will not be supplied but feel welcome to responsibly bring your own. The cost will be \$60 for adults and \$50 for kids. Please contact me as soon as possible to secure your spot on the boat. Payment in advance is required to reserve. We are limited to 40 people so it is first come first serve.

Please contact Jimmy Troy ASAP so that we can book the trip.
